PERMABLOK³ is a proven vinyl protective coating that is engineered to create a tough, effective barrier against germs, abrasion and stains.

Colour Marked with has PERMABLOK³ PLUS protective finish. A newly developed protective coating combining the well-known and proven PERMABLOK³ formula (antibacterial and antiabrasion) with an enhanced resistance to stains: it seals the surface providing a shield against stains, makes cleaning easier and improves removal of dye-transfer*.

*Removal of stains and indigo dye may vary depending on the type of textile, time of exposure, surrounding conditions, cleaning and maintenance of the material. PERMABLOK³ PLUS offers improved protection to indigo dye and stains, yet full removal or cleaning cannot be guaranteed. Please read our cleaning and maintenance guide carefully to achieve best results.
PERMABLOK³ PLUS is a registered trademark of Spradling Holdings, Inc.
